

# Short Hot Flush Film Festival

## About us

Short Hot Flush Film Festival is the world's first film festival to celebrate women over 50 in front of and behind the camera.

## Films

Every film we show - animation, documentary or drama - has to follow one of these two simple rules. The film has to have:

- a woman over 50 as the central character OR
- a woman over 50 in the core creative team (writer, director, producer)

## Submissions

Our international submissions are from England, Scotland, Ireland, Sweden, Slovenia, Sierra Leone, Canada and the US.
