

# the 2015 EXETER STREET HALL CHRISTMAS WINDOW *competition*

It's the fourth year of the annual **Christmas Windows Competition** for Prestonville residents. Let's get our community looking fantastically festive whilst supporting Exeter Street Hall and the ongoing renovation works.

It's easy – just decorate your front window. Do anything you want with a seasonal theme. You can use lights, models, or paper cut outs. Make it humorous or decorative. Let your imagination run wild. In past years we have had a beautifully lit Brighton Pavilion, snowy landscapes, leaping reindeer, angels, snowmen and lots of twinkly snowflakes.

You might even get your name engraved onto a Winner's Cup. There are 1st, 2nd and 3rd places in two categories: General Entry, and Under 10's. Our generous sponsors, the lovely people at **the green cleaner**, have donated some festive prizes.

Well known local artist, Sarah Jones from **Milton Open House** is our judge again this year. Everyone will love seeing your creativity!
