

## Candidates for Election as ESCH Director, 2023

*(to be updated if new candidates are nominated)*

### 1. Robin Bailey

I have been a volunteer at Exeter St Hall for around 6 years now, the last two of which have been spent serving on its management committee. I can honestly say it has been a privilege and a pleasure to be involved with such a valued and important community project and focal point as part of a dedicated, enthusiastic, and skilled team of volunteers.

As I only work periodically nowadays, I find I can devote a lot of my time to Hall matters, such as those relating to the building's upkeep, maintenance, and security. I have also been able to be involved with Hall events, both as a lead and in helping my fellow volunteers with their own activities. In the past year we have had successful evenings such as our Women's Football Panel, which covered issues way beyond football itself, screening the Women's Football Euros themselves, as well as the Mambo Man film to raise funds for the Cuban Solidarity Front, for example.

I would very much appreciate your support in re-electing me as a director in order that we build on our past achievements as a team, and ensure the Hall's continuing success as a vital asset of our friendly and innovative local community.

Many thanks.

### 2. Jo Camplisson

I have lived in the area for over 20 years and my children have been through local schools and used the Hall on many occasions.

I became Treasurer of THGI in 2016 to help with the accounting (I am a chartered accountant). I'm seeking re-election as a Director of ESCH to continue to help the finance function of the hall and to introduce, improve and maintain finance systems.
