

Nominations for Director, AGM 2024

Rosemary Dewick

Nominated by: Sally Hunt
Seconded by: Alexa Povah

I first became involved in the Hall in 2013 as a shareholder. Gradually over the years I have become more and more involved, especially on the volunteering side. I have helped with the Great Get Together since it first started and with all the children's Halloween parties, and in the last couple of years have helped help chop vegetables and wash up in the Friday Friends kitchen.

I feel that since its opening the Hall has become more and more an integral part of the community and brought people of all ages, backgrounds and countries together. I am very proud to be part of the Management Committee in helping to see that things run smoothly and would like to continue in this role.

Graham Thomas

Nominated by: Gill Hasson
Seconded by: Amanda Nichols

I have been a shareholder since the original share issue and attended many Hall events since 2013. I first became THGI Secretary in 2018 and then, after the creation of the new Society, became Secretary and a Director of ESCH in 2019.

Since then – along with carrying out other tasks as a Management Committee member and a general Hall volunteer – I have focused on administrative issues such as servicing the committee, dealing with insurance and licensing and taking care of shareholder relations. I have also helped to manage the website and have co-ordinated several grant applications.

If re-elected, my focus will continue to be on looking after the interests of the Members, making sure that ESCH fulfils its legal & regulatory obligations and helping to secure the future of the Hall as a thriving community-run facility.
